## About

The ReStore performs a valuable community service by diverting reusable materials from landfills and providing these products to the public at affordable prices. In addition, it provides opportunity for individuals to gain knowledge by stocking shelves, organizing displays, picking up and cleaning donations, assisting customers and much more.

## Shop

Habitat for Humanity of Sangamon County's ReStore is a great place to shop for new and used home building materials at affordable prices. Proceeds from the ReStore are invested in building homes in Sangamon County in support of Habitat of Humanity's mission to build decent and affordable housing in partnership with the community for individuals in need.

## Donate

The ReStore accepts a variety of donated items from contractors, suppliers, organizations and individuals. Your donation is truly making a difference in the lives of families in our community.

For further information or to schedule a free donation pick-up, please call 217-787-7209.
