Individuals and Businesses Honoring
Strong Women in their Lives

We are grateful for the individuals and businesses honoring the strong women in their lives and building with 1000 Women Strong-Habitat Sangamon!

Hickory Point Bank and **Carrollton Bank** have given generously in honor of the women at their workplaces and are looking forward to starting construction. On January 9th, **Women Entrepreneurs in Central Illinois (WE-CI)** gave the campaign a boost with their donation of \$500 in honor of strong women and their entrepreneurial spirit.

Please continue sharing! We're so close to reaching 75% of our goal by February 28th, which will allow us to pour the foundation this March!
