Partner Families in Habitat for Humanity's home ownership program build alongside Habitat volunteers and invest hundreds of "sweat equity" hours. Once a home is completed, the family pays a zero-interest, affordable mortgage, which is invested back into Habitat's program to build more homes for other families in need.

Habitat for Humanity is currently recruiting volunteers for this and future Habitat projects in Sangamon County. For more information or to join the efforts to eliminate poverty housing, visit <http://www.habitatsangamon.com> or call 217.523.2710.
