### **Dreaming of Owning Your Own Home? Attend an Information Session to Learn if Habitat for Humanity of Sangamon County's Homeownership Program Is Right for You.**

If you or someone you know is interested in applying for Habitat For Humanity of Sangamon County's (HFHSC) Homeownership Program, attend an informational session in April or May to get the facts, gather information and ask questions. Attending one of the one-hour informational sessions is required if you're interested in applying for homeownership through HFHSC. There is no fee to participate. Reservations are strongly suggested.

Evening sessions are being held on April 10 and May 8, beginning promptly at 5:30 p.m. Sessions are also being held at noon on April 19 and May 17. Each session covers the same information and are held at the HFHSC office, 2744 S 6<sup>th</sup> Street, in Springfield. Individuals may attend more than one session, but are only required to attend one. Please contact the Habitat Office at 217-523-2710 to reserve your spot! More information is also available at <http://www.habitatsangamon.com>

Partner Families in Habitat for Humanity's home ownership program build alongside Habitat volunteers and invest hundreds of "sweat equity" hours. Once a home is completed, the family pays a zero-interest, affordable mortgage, which is invested back into Habitat's program to build more homes for other families in need.

Habitat for Humanity is currently recruiting volunteers for this and future Habitat projects in Sangamon County. For more information or to join the efforts to eliminate poverty housing, visit <http://www.habitatsangamon.com> or call 217.523.2710.
