

# STUD RAMA

For Habitat for Humanity

## 1 PURCHASE YOUR STUD

Buy a 2 x 4 stud from Habitat for Humanity for \$50. All studs will be used in the construction of Habitat for Humanity partnership house #109 and all funds help end poverty housing in our very own Sangamon County community.

## 2 PAINT YOUR STUD

Dress your stud up however you like! You can pick up your stud to paint at home and return it by July 18th, or you can join others at Habitat for a stud painting party from 10am-2pm on June 16th, June 30th, and July 14th. Go wild with it!

## 3 FIND YOUR STUD

Come join us for a stud-finding party at Habitat House #109's build site, 2244 Enterprise in Springfield, where you can see your and others' installed studs. Find your stud, see how others decorated theirs, and meet the future home owner on August 1st from 5-7pm!
