

## Build with 1000 Women Strong-Habitat Sangamon in 2019!

### No Construction Skills Required.

We're builders! Women learning, empowering each other, and constructing a Habitat home together.

We're 1,000 women, giving \$100 each, to fund and then build a home alongside a Habitat partner family. The first 600 to join the *2nd Annual 1000 Women Strong-Habitat Sangamon* campaign will receive a 2 x 4 stud to decorate. Each stud will be used to build the house.

Join today! Help Habitat reach 1,000 women - and our goal - by *December 31st, 2018*. Our target date for construction is Spring 2019, but funding/resources must be secured before we can break ground and build.
