

Friends,

We have been given the go-ahead to continue the [City of Springfield Large Item Pick Up](#) for **disposal/recycling**.

If you were previously scheduled and postponed, you will be hearing from us in the next few days, with your rescheduled date.

[Online](#) City of Springfield Large Item Pick Up requests are up and running, or you may call us at 217-523-2710, to schedule.

At this time, **donation pickup requests** may be placed by calling 217-523-2710, but **are not currently being scheduled** until we have the all clear. Gov. Pritzker's office has stated that update will be announced April 7.

You may drop off **sellable** items for **donation**, at our dock, **10am-noon or 2-4pm, every day**. Otherwise, please do not leave your valuable item donations on our dock, as they may get damaged from weather.

We are so grateful for the patience, kindness, and understanding of YOU - our volunteers, donors and supporters. Thank you!

We are all in this together. We will continue to monitor the COVID-19 situation and will follow guidance from public health officials and government agencies, so we can continue to support our donors, Partner Families and communities as needed.
